Lawn Mower Engines - Honda

All Honda engines model numbers start with the letter "G," such as "G100", "GX610", or "GXV160." This is the base engine model. The engine model and serial number should be adequate for most of your needs. However, if you need the detailed engine type, you can find an engine identification guide [here](#).

Honda - Lawn Mowers - Outdoor Power Equipment - The Home Depot

Most Honda lawn mowers use a traditional flywheel brake, which stops the engine and blade when released. One step up from this is the Roto-Stop Blade Stop System, which some HRR and HRX models have. The Roto-Stop BSS works much like a flywheel brake,
