The Morville Hours The Story

The Morville Hours is an ambitious effort to invite us into that world view; heavily researched and stuffed, packed, full of scraps and nuggets from all the disciplines of nature and science and religion; to make a vast mosaic out of these scraps and form a big picture, or a map, with which the author finds her way, resolving her own questions of life.

The Morville Hours: The Story of a Garden: Swift ...

The Morville Hours is an ambitious effort to invite us into that world view; heavily researched and stuffed, packed, full of scraps and nuggets from all the disciplines of nature and science and religion; to make a vast mosaic out of these scraps and form a big picture, or a map, with which the author finds her way, resolving her own questions of life.

The Morville Hours is an ambitious effort to invite us into that world view; heavily researched and stuffed, packed, full of scraps and nuggets from all the disciplines of nature and science and religion; to make a vast mosaic out of these scraps and form a big picture, or a map, with which the author finds her way, resolving her own questions of life.

Amazon.com: The Morville Hours: The Story of a Garden ...

While The Morville Hours tells the story of the creation of a garden at the Morville estate in Shropshire, England, it is much more than a gardening book. Katherine Swift had worked as a rare book librarian before she took on the garden, and her love of research and hunting out original sources comes well to the fore here.

The Morville Hours by Katherine Swift - Goodreads

Spanning thousands of years, The Morville Hours takes the form of a medieval Book of Hours. It is a meditative journey through the seasons, but also a journey of self-exploration. It is a book about finding one's place in the world and putting down roots. ©2008 Katherine Swift (P)2011 Audible Ltd.

The Morville Hours by Katherine Swift | Audiobook ...

This beautifully written, utterly absorbing book is the history of the many people who have lived in the same Shropshire house, tending the same soil, passing down stories over the generations. Spanning thousands of years, The Morville Hours takes the form of a medieval Book of Hours. It is a meditative journey through the seasons, but also a journey of self-exploration.

The Morville Hours: The Story of a Garden: Katherine Swift ...

The Morville Hours is a meditation on gardening, history, one's place and time. It is beautifully written. It's not a gardening book but a gardening book of the soul and place. I love some of her descriptions of breathing the air, and tilling the soil that generations have breathed and tilled.

Amazon.com: Customer reviews: The Morville Hours: The ...

The Morville Hours takes the form of the medieval Book of Hours, recalling the monastic past of the house. Each chapter is named after one of the Hours of the Divine Office, and summons vividly to life an hour of the day or night in the garden of today and in the gardens of the past, from the crunch of grass underfoot at midnight on a frosty New Year's Eve to the drip of trees in a melancholy March dawn; from a perfumed May Day morning when the whole world seems sixteen again, to the ...

The Morville Hours: The Story of a Garden: Katherine Swift ...

Like a medieval Book of Hours, The Morville Hours guides the reader through the days and seasons in Swift's garden. But she rarely stays for very long in the garden; she rambles through the history...

Amazon.com: Customer reviews: The Morville Hours

generations spanning thousands of years the morville hours takes the form of a medieval book of hours it is a meditative journey through the seasons but also a journey of self exploration it is a book about finding good for a leisurely read the morville hours is the story of the making of a formal english garden swift has structured the book

The Morville Hours The Story Of A Garden

The book, like the garden it describes, is deeply personal. Katherine Swift meditates on the geology of Wenlock Edge, wonders what moles dream of, reflects on the hardships of rural life (she is no sentimentalist) and ponders on her own family's far from idyllic history. Although "The Morville Hours" will appeal to gardeners and garden lovers, it isn't a book about gardening - it's about the way in which gardens reconnect us with the bigger picture.
